Reasons for permission to hold the Assistant Comptr's office in the Residency bungalow

Mysore Deputy Commissioners Office,

Dated Mysore 12th February/March 1904

To,

B.K.Venkatavarada Iyengar Esq.

Secretary to the Government of Mysore in the

Revenue and General Departments.

Sir,

In pursuance of Government order no. 2875-94 dated 29th February 1904, fixing the head quarters of one of the Assistant Commissioners of this district at Nanjangud, I have the honor to state that no suitable building is available at Nanjangud for holding his office there. The Assistant Commissioner was asked by my predecessor to hold his office in the out-house attached to the Residency Bangalow, but he reports in his accompanying yadi no. 803 dated 7th March 1904 that the out-house as it is, is not in a fit state to hold his office. He has proposed certain alterations to the building in question. But the said building is in the charge of the Department of Public Works and the required alterations too are to be executed by that department. If Government should be pleased to order the delivery of the building to the charge of Revenue Department, the Executive Engineer will be written to for effecting the necessary alterations and additions. In the meantime, sanction is solicited to permit the Assistant Commissioner to hold his office and court in a part of the Residency building until the out-house is got ready for him.

I have the honor to be,

Sir,

Your most obedient servant,

Deputy Commissioner,

Mysore District.
